

MAKING MAP DATA WORK FOR YOU

Step One, the NWEA Home Page

- You've shown your students the information on taking the MAP tests
- You've informed the parents of the "new test" their children will be taking
- You've given the MAP tests
- Your principal has given you time for "dancing with data" to get familiar with what to do and how to do it
- NOW, it's time to begin making the data work for you
